Aaron Shapland

Co-founder, Managing Director at Vordik

Toronto, Canada Area, , CA

Managing Director, Vordik

Biography

My experience and focus lies within the strategy and design of innovative web and mobile products. At Vordik we work with small & medium-sized business from all industries in implementing creative digital experiences. When I'm not with clients or managing projects, I love designing interfaces, consulting startups, and shaking hands - so feel free to drop by our office for a coffee.
