

# **Adam Buckley**

**Vice President, Operations at Consulate General of Canada (CTA Boston)**

Cambridge, MA, US

Adam Buckley is an expert in the biotechnology industry, specializing in the areas vaccines, technology transfer and drug development.

---

## **Biography**

In 2001, Mr. Buckley helped establish VBI. His efforts included attracting seed capital to VBI, developing its first business plan, protecting intellectual property and structuring the company. He had an active role in the company's Series A financing, raising \$35.7 million (U.S.), and has led several key technology acquisitions for the company. Mr. Buckley obtained his M.B.A. and Bachelor of Science in Biology and Psychology at McMaster University in Canada. Prior to joining VBI, he built experience in project management and corporate development at Riverview Hospital in Coquitlam, British Columbia, and at the Children's Hospital of Eastern Ontario in Ottawa, Ontario.
