Amelia Newbury draws on HR best practices to help high-growth companies accelerate and ensure their success.

Biography

Amelia Newbury has significant experience in creating and growing businesses. She has launched and grown five companies from start-up to success by creating winning strategies and high-performance teams that drive growth. Two of these businesses were incubated inside complex organizations and successfully spun out to become eCornell and LeveragePoint. Three others grew significantly in revenue and continue to thrive, with one achieving a significant valuation and exit through acquisition. Today, she uses the lessons she's learned alongside best practices from academia and the industry to help high-growth companies accelerate and ensure their success.
