We don't need their oil anymore, I bring you HOPE and good news!

Biography

"There's plenty OIL for everyone & over 260 years reserve is below our feet", that's my message. "OPEC" is a blackmailing organization that financed the war of 1973 to cover up the planned blackmail *OIL EMBARGO* We don't need their OIL anymore, we have plenty for everyone! Spread the good news. Under my hometown geologists estimate 260 years reserve. We don't need their oil or their TERRORISM anymore! I speak on how we gain our freedom from OPEC and Saudi Arabia using CNG from under our feet! My Name Amid means "GENERAL", my father wanted me to grow up to be a GENERAL! I never served in any army! So my job is to guide every nation to energy independence as most countries have these OIL reserves. There's plenty for everyone! I've collected my life experiences and views in a book called the "SYRIAN PEACE MESSENGER"! If we can ignite entrepreneurship in AMERICA, we can avoid the same fate as Syria and Libya. If they are busy making a living, they don't cause trouble and we teach them at www.startbusinessstv.com
