

Andreas Miles-Novelo

Doctoral Faculty - Media Psychology at Fielding Graduate University

Santa Barbara, CA, US

Doctoral Faculty and Expert in the Psychology of Video Games

Biography

Andreas Miles-Novelo received his PhD from Iowa State University in Psychology and Human-Computer Interaction, working under the advisement of Dr. Craig A. Anderson. Andreas is particularly interested in broad media effects as they pertain to behavioral outcomes such as aggression, stereotype formation, and political attitudes. His research has focused on virtual reality, video games, and the climate crisis.
