

Andrew Ellul

Professor of Finance at Indiana University, Kelley School of Business

Bloomington, IN, US

Ellul's research interests focus on empirical corporate finance, especially ownership structures and their impact on firms' decisions.

Biography

Andrew Ellul is Associate Professor of Finance and Fred T. Greene Distinguished Scholar at Indiana University's Kelley School of Business. He joined Kelley in 2001 after completing his Ph.D. at the London School of Economics and Political Science and serving as Research Associate at the Financial Markets Group. His research interests focus on empirical corporate finance, especially ownership structures and their impact on firms' decisions, institutional investors' trading behavior and market microstructure. Ellul's research has been accepted for publication by various leading journals, including the Journal of Finance, Journal of Financial Economics, Review of Financial Studies, and the American Economic Review. He teaches courses in corporate finance and investment analysis at the undergraduate, graduate (MBA) and PhD levels. He has received awards for both teaching and research.
