

Andrew Janusz

Assistant Professor at University of Florida

Gainesville, FL, US

Andrew Janusz is an expert on elections, political behavior and racial identity in Latin America; particularly in Brazilian politics.

Biography

Andrew Janusz is an assistant professor in the department of political science at the University of Florida. Andrew's research focuses on racial identity, political behavior and representation in Latin America. In Andrew's current book project, he explores patterns of racial identification among Brazilian politicians, investigates barriers to Afro-Brazilian electoral success and examines how the descriptive underrepresentation of Afro-descendants in Brazil's political arena influence policy outcomes.

Areas of Expertise

Brazilian Politics and Elections, Political Representation in Latin America, Race and Ethnic Politics
