

Andrew Koeser

Associate Professor at University of Florida

Gainesville, FL, US

Andrew Koeser is a research professor who investigates how to best grow trees in cities and urban areas.

Biography

Andrew Koeser focuses on promoting tree diversity, protecting old trees and creating policies that improve urban environments. Andrew works directly with arborists, landscapers, nursery growers and urban foresters to both reduce the inputs and increase the ecological benefits associated with urban and residential greening.

Areas of Expertise

Arboriculture, Arbor Day, Trees, Trees and Construction, Trees and Development, Tree Laws, Tree Diversity, Tree Planting, Tree Pruning, Tree Safety, Urban Forestry
