

# **Andrew McAninch, Ph.D.**

**Associate Professor at Milwaukee School of Engineering**

Milwaukee, WI, US

Dr. Andrew McAninch specializes in ethics and applied ethics, with an emphasis on bioethics, engineering ethics, and ethics of AI.

---

## **Biography**

Andrew McAninch, Ph.D., is an Associate Professor of Philosophy in MSOE's Department of Humanities, Social Science, and Communications. Before arriving at MSOE, he was an Andrew W. Mellon Postdoctoral Teaching Fellow at the University of Pennsylvania, where he also spent a year as Program Director with the Center for Ethics and the Rule of Law (CERL) at the Penn Law School. He works in moral philosophy, broadly construed, and regularly teaches courses in engineering ethics, biomedical ethics, ethics of artificial intelligence, social and political philosophy, philosophy of mind and AI, and epistemology. He serves on the MSOE AI Impact Task Force.

---
