

Anna Errore

Assistant Professor in the Practice of Information Systems & Operations Management at Emory University, Goizueta Business School

ATLANTA, GA, US

Biography

Anna Errore earned her PhD in Business Administration (area of Supply Chain and Operation, with a minor in Statistics), from Carlson School of Management, University of Minnesota, in 2021. She also holds a PhD in Industrial Engineering from the University of Palermo, Italy. Prior to joining the faculty at Emory in 2022, Anna has taught Business Statistics at the Carlson School of Management and been a graduate assistant for many related courses for undergraduates, MBAs, and Executive MBAs on subjects of Data Analytics and Operations Management. Dr. Errore's research focuses on methodological developments for applications of advanced statistical tools for Quality and Operations Management. Specifically, her work is mostly focused on Experimental Design theory and applications. She is also an ASQ-certified Six Sigma Black Belt.
