

Jane Carrington

Associate Professor/Chair/Co-Director at University of Florida

Gainesville, FL, US

Jane Carrington is internationally known for expertise in informatics, electronic health record, human factors and communication.

Biography

Jane Carrington is internationally known for expertise in informatics, electronic health record, human factors and communication. Her research focuses on nurse-to-nurse communication of a clinical event or change in patient condition using the electronic health record. She uses techniques in qualitative research and natural language processing to analyze nurse-to-nurse communication and decision-making associated with a clinical event. Jane is an associate professor, Dorothy M. Smith Endowed chair and director of Florida Blue Center for Healthcare Quality in the Department of Family, Community and Health Systems Science in the College of Nursing.

Areas of Expertise

Electronic Health Records, Informatics, Human Factors, Communication

Affiliations

American Medical Informatics Association : Member, Human Factors and Ergonomics Society : Member, American Academy of Nursing : Fellow
