

Barbara Marino, Ph.D.

Associate Professor of Electrical and Computer Engineering at Loyola Marymount University
Los Angeles, CA, US

Seaver College of Science and Engineering

Biography

Contact: Phone: 310.338.3947 Email: bmarino@lmu.edu Office: East Hall 128 Dr. Barbara Marino is an Associate Professor in the Department of Electrical and Computer Engineering at LMU. She joined the LMU faculty in 1996. Prior to that, Dr. Marino worked as a systems engineer at the Naval Research Laboratory in Washington, D.C. on military IFF systems. From 1999 ? 2002 Dr. Marino worked on optical acquisition and tracking systems in the digital signal processing research group at NASA?s Jet Propulsion Laboratory. Dr. Marino is responsible for the computer engineering portion of the curriculum. She has published and presented papers at national and international conferences on enhancing degraded image data. Dr. Marino is a member of the American Society of Engineering Education (ASEE) and the faculty moderator for the student branch of the Society of Women Engineers (SWE).

Industry Expertise

Education/Learning, Research

Areas of Expertise

Computer Engineering, Computer Applications, Image Processing, Enhancing Degraded Image Data

Affiliations

Society of Women Engineers (SWE)

Education

University of Notre Dame
MSEE and Ph.D. Electrical Engineering

Marquette University
BSEE Electrical/Computer Engineering
