

Becky Taylor

Marketing Associate at Stomp Games

Greater Boston Area, MA, US

Video Game Marketing and Research

Biography

Becky has been PC-gaming since she was 2 and front-end web programming since she was 7. She is a very determined individual, getting published in the Davis Art Publication's Communicating by Graphic Design series whilst still in highschool, and being named Fitchburg State University's Interactive Media Student of the Year for 2012. Becky graduated with a Bachelor's of Science in Communications Media with a concentration in Interactive Media. She currently works at Stomp Games as a Marketing Associate for Robot Rising. Becky is one of the most enthusiastic and dedicated workers you will ever find. By being extremely determined, and having a unique thirst for knowledge, makes her successful in any field. Feel free to connect with Becky or send an email at contact@beckytaylor.org
