

# **Bernard Lupien**

**General Partner at Consulate General of Canada (CTA Boston)**

Cambridge, MA, US

Bernard Lupien is an expert in commercializing technologies from breakthrough science innovation.

---

## **Biography**

Bernard Lupien has worked with talented people at amazing companies where he has learned to commercialize technologies from breakthrough science innovation. He is a General Partner at Rhapsody Ventures, which invests in start-ups in the hard sciences. Starting his career as a technology developer and progressing to commercial roles in the area of robotics, lithium-ion batteries and advanced materials, he worked with fantastic teams to achieve what is challenging yet extraordinarily rewarding: upsetting industry incumbents and the status quo by bringing cutting-edge innovation to the marketplace.
