Celebrate the Magic!

Bob Higa's keynote presentation has received rave reviews from clients and standing ovations from his audience. Higa stresses that magic is in each of us and we have the power to deliver amazing results. "Celebrate the Magic" questions our standard approach to every day issues and encourages "looking at the same things, yet seeing them differently." Bob Higa suggests that the real magical experience is not about tricks and illusions but how we make customers and employees feel.

Amazing Customer Service

This fun and interactive program provides your team with tools to start thinking about their work differently. Customized to your business or industry, these exercises draw direct parallels to your team's every day challenges. Higa suggests that the way people think affect the way they feel. That, in turn, affects the way they perform. Discover the secrets to WOW your customers and discover that each of us can be amazing.
