

Brian Levine, M.D.

Associate Chief Academic Officer and Designated Institutional Official at ChristianaCare
Wilmington, DE, US

Dr. Brian Levine is an expert in emergency medicine and specializes in graduate and undergraduate medical education.

Biography

Brian Levine, an emergency doctor by training, is the associate chief academic officer and the designated institutional officer at ChristianaCare. Dr. Levine oversees more than 30 residency and fellowship programs at ChristianaCare and has spearheaded ChristianaCare's significant authorship in the development of pocket-sized reference guides used globally by thousands of emergency residents each year. The guides, published by the Emergency Medicine Residents' Association, provide guidance on antibiotic use, the treatment of orthopaedic injuries and administering EKGs, among other issues.
