Oh, the Leadership Stories I Could Tell You

Stories are the best way to learn and recall information. Having served in the military including the White House Communications Agency for the first two Regan-Gorbechev summits, worked at multiple entrepreneurial companies, bootstrapping a company and making the Inc. 500 list, hosting a major market business radio show, and heading up a CEO peer group for a couple of years? Brian tells stories of what to do...and what not to do...in a humorous manner.
