

Cameron Ward

Innovation Leadership Council, CATAAlliance // Senior Vice President, Global Electronics at Allied Electronics and lead executive for RS Components North America

Fort Worth, TX, US

Passionate about the unique opportunity global distributors and the supply chain have to enable innovation

Biography

Cameron Ward is the Senior Vice President of Global Electronics for Allied Electronics and lead executive for global electronics distributor RS Components. He has more than 25 years of international experience in the electronics industry ? including postings to the U.S., Hong Kong and Singapore ? focused on supply chain and distribution. Throughout his career, Cameron has been a corporate entrepreneur and change agent, helping organizations anticipate and capitalize on disruption, changes in market dynamics and technology evolution. He is passionate about the unique opportunity global distributors and the supply chain have to enable innovation, sustainability and growth for customers in a wide range of industries. Before joining Allied Electronics / RS Components, Cameron was the Vice President of Global Procurement & Supply Chain at Flextronics and held global leadership positions at Premier Farnell, Arrow, E2Open and Future Electronics. He also serves as a board director and advisor to several technology companies. Prior to his career in business, he served for 10 years as an Armoured Corps officer in the Canadian Armed Forces and is graduate of Champlain College.
