Parenting Book: Easier Parenting: 8 vital principles to guide children's behaviour successfully
This book outlines the basic principles needed for enjoyable and effective parenting, which focus on preventing problems, using encouragement, preparation, communication and teaching skills. Modelling healthy behaviour, giving responsibility, and arranging stimulating activities are of equal importance. If we want to raise happy, confident, caring, self-discipl, independ, stable, well-mannered, respons, competent + successful people, we need to educate ourselves on the best way to achieve this
