## Biography

"Cece is the ultimate catalyst, guide and mentor, who leads us from right where we're standing. If you need to help to make your life fully flourish, listen to her. You will be glad you did!" Susanne Helene, Antioch University MFA "Cece is the type of person who creates the halo effect - she demands greatness of herself, which thereby pushes everyone around her to raise their own personal bar of excellence." Monica Hare (former) President Midnight Oil Creative "Cece is a consummate professional. She has worked with a wide variety of clients and has a deep reservoir of experience from which to draw. She tackles new challenges with intelligence, creativity and a great sense of humor." Kathryn Campbell, Managing Partner Primitive Spark "I've never known anyone to match Cece at manifesting her desires and decisions. She's gifted in many areas, including focused intelligence, witty personality and an innately discreet and charming style." Katie Karlovitz, award winning actress and founder of On Speaking Terms

## Sample Talks

### Never Give Up. Never Surrender. The Wisdom of "Galaxy Quest"

"Never give up. Never surrender." Quoting Jason Nesmith (as played by the comic genius Tim Allen) from one of my favorite movies of all time "Galaxy Quest." This talk explores the hidden wisdom in this comedy classic and how to apply it to our work.

### **The Dream Job Myth**

Do you feel like you're wasting your life at the office? Would you like to have more energy for loved ones when you get home from work? What about getting paid for who you truly are not who you think they want you to be? Work related stress is a drag. Worse than that, it can ruin your life. This talk answers these questions and more with relevant strategic and tactical take-aways you can put into action now!
