Toronto, ON, CA

Christian, a consummate sales award winner, has consistently ranked among the top real estate agents in the city for well over a decade.

Biography

A native Luxembourger, Christian first came to Toronto in 1998 on a three-month visit to improve his command of the English language. He found it so appealing, it has remained his home ever since. Christian, a consummate sales award winner, has consistently ranked among the top real estate agents in the city for well over a decade. He backs up his business expertise with a law degree from Strasbourg (France) and his ability to fluently communicate in several languages. What distinguishes him most is his ability, through all the strategy and emotion surrounding a home sale or purchase, to create a connection between people. That is what the real estate business ultimately comes down to: helping buyers and sellers bridge differing expectations and to negotiate the best outcome for his clients. Christian is passionate about art, international cuisine, fine wines, and enjoys exploring the diversity of outstanding restaurants in Toronto. He loves to travel and is also an ardent tennis player and skier. Christian provides the highest level of real estate service to local and international home buyers and sellers, with a curated focus on architecturally significant and premier homes, country estates, and downtown condos in the prestigious neighbourhoods of the Greater Toronto Area.

It was a pleasure to work with a team as dedicated to excellence and approachable as Paul, Christian, and other staff members at Sotheby's Toronto. They were steadfast through difficult days and better ones, along the way to the successful sale of my condo. My sincerest thanks!

Paul and Christian provided me with the best professional advice for the sale of my house. Always positive, helpful, available.... and they also have at the disposal, the best crew to help you prepare your house to be listed. First time selling a home, as I have been at this address for 34 years. I couldn't have had better people to take care of selling my house. A very positive experience. Thank you!

This is our second home sale with Paul and Christian Associates and we couldn't recommend them more. Whether selling or buying a home, you will be in great hands. They are consummate professionals who are very knowledgeable, strategic and detail-oriented. They provide a concierge-style 360-degree service where you really don't have to worry about anything. Bonus: incredibly fun and pleasant team to work with!
