

Christian R. Becker

Co-Founder & Head of Business Development at Fair Observer

Munich, Germany, DE

When the disease is an out of touch mainstream media, the cure is a daily prescription of news & analysis from the team at Fair Observer

Christian is a co-founder and all round superstar who is driving Fair Observer's Business Development. A doctor trained in Heidelberg and Baltimore, Christian has worked in both curative medicine and research at Heidelberg University Hospital. He has experience in Emergency Medicine at R Adams Cowley Shock Trauma Center and has a doctorate in Orthopedic Surgery. He has also done research in the fields of Endocrinology, Diabetes and Aging. Besides being a physician, Christian was a top management consultant for three years, where his clients included leading companies in different sectors with global operations. As a physician, scientist and business professional, Christian is passionate about exploring the relevant and controversial topics in the field of human health, solving business problems and creating world beating companies.

M.D. Medicine

Co-Founder & Head of Business Development ? Fair Observer

Fair Observer is a multimedia, multidisciplinary, multinational platform that provides analysis of issues, events, and trends of global significance. Fair Observer brings clarity to the complex and dynamic world we live in. Our aim is to provide a platform for voices from different disciplines, various philosophies and many parts of the world. Our goal is to give you a 360° view of the world, with a plurality of perspectives, with diversity and debate, and with the story behind the story.
