

C. Michael White, Pharm.D., FCP, FCCP

Head and Distinguished Professor, Department of Pharmacy Practice at University of Connecticut

Storrs, CT, US

Dr. White's research interests are in drug, dietary supplement, and illicit drug safety, quality, and cost

Biography

Dr. White is the co-director of the Health Outcomes, Policy, and Evidence Synthesis (HOPES) research group and has authored over 400 research articles with over 12,320 citations and an h-Index of 59 (top 5% of all researchers for impact of work) including sentinel work in JAMA, Lancet, Annals of Internal Medicine, Circulation, Journal of the American College of Cardiology, Diabetes Care, and many others. His research interests are in the areas of comparative effectiveness, and preventing adverse events from drugs, devices, herbs, and illicit substances. Dr. White has received major media coverage by TV (NBC Nightly News, Good Morning America, Today Show, Dr Oz Show, BBC & CBC, PBS News Hour, CNN, MSNBC), newspaper (New York Times, Washington Post, Boston Globe, LA Times, Chicago Tribune), radio (WNPR, CBS Radio Network, Bloomberg Radio, SiriusXM, Colin McEnroe Show), and magazine/online (Vogue, The Scientist, Newsweek, The Conversation, Salon, Huffington Post, Inverse) media outlets among many others. Many of his publications have an Almetric score over 200, showing major uptake by major media outlets, and several were among the top three most read articles in the journal in the preceding year (Annals Pharmacotherapy, Journal of Clinical Pharmacology, Oral Diseases). He is an ACCP Young Investigator of the Year, AACP Lyman Award Winner, ASHP Sustained Contribution to the Literature (lifetime achievement award), and five time ASHP Foundation Drug Therapy Research Award recipient. He has a recurring TV segment called Ask the Pharmacist on Fox61 and a book entitled The Part-Time Diet. He is a University Teaching Fellow and a BOT Distinguished Professor, the highest designation for teaching and overall excellence bestowed by the University of Connecticut. Dr. White is also a Fellow of the American College of Clinical Pharmacologists and The American College of Clinical Pharmacy.
