

# **Connie Veazey, Ph.D.**

**Program Director - Clinical Psychology at Fielding Graduate University**

Houston, TX, US

Trauma impact specialist

---

## **Biography**

Dr. Veazey's primary interest is in trauma recovery. To that end, she has research and clinical interests in assessing and treating individuals impacted by traumatic events. She is interested in understanding the development of various mental health outcomes, such as Posttraumatic Stress Disorder and Depression following trauma in addition to understanding the process of recovery from such disorders. In addition, Dr. Veazey has interests in the interaction of physical and mental health. Her research in this area has focused on the interaction of chronic medical conditions on mental health outcomes such as anxiety and depression. Clinically, Dr. Veazey adopts a Cognitive Behavioral orientation and has experiences in adult general outpatient settings as well as work within the Veteran's healthcare system, and she focuses on assessment and treatment of adults with a variety of presenting concerns and disorders.
