

# **Cory J. Evans**

**Assistant Professor of Biology at Loyola Marymount University**

Los Angeles, CA, US

Seaver College of Science and Engineering

---

## **Biography**

Contact: Phone: (310) 338-7904 Email: Cory.Evans@lmu.edu Office: LSB 234 Cory Evans is an Assistant Professor of Biology in the Frank R. Seaver College of Science and Engineering. His work is centered upon the molecular genetic mechanisms underlying blood cell development and function in *Drosophila* which provides experimental insight into human cell fate specification, progenitor/stem cell biology, and innate immunity.

---

## **Areas of Expertise**

Molecular Genetics, Model Systems, *Drosophila*, Immunology, Biomedical Research, Science Education, Cell and Molecular Biology, Hematopoiesis

---

## **Education**

**University of California, Los Angeles**

Ph.D. Molecular, Cell and Developmental Biology

**University of California, Los Angeles**

B.S. Cell and Molecular Biology

---
