

Daniel A. Smith

Professor at University of Florida

Gainesville, FL, US

Daniel A. Smith examines how political institutions affect political behavior across and within the American states.

Biography

Daniel A. Smith is a political science professor in the College of Liberal Arts and Sciences. He studies how political institutions affect political behavior across and within the American states. His current research focuses on how initiatives, redistricting and electoral laws shape political participation. Daniel has published more than 100 scholarly articles, chapters and reports in the disciplines's leading outlets. He is a past-president of the State Politics and Policy Section of the APSA. Daniel is the author of "Tax Crusaders and the Politics of Direct Democracy (Routledge, 1998) and co-author of "Educated by Initiative" (Michigan, 2004) and "State and Local Politics: Institutions and Reform" (Cengage, 2015). He has worked as an expert on dozens of voting rights lawsuits in Florida and around the country.

Areas of Expertise

Election Administration, Voting, Ballot Measures, Florida Politics, State Politics and Elections, Voting Rights and Elections, Direct Democracy, American Politics, Elections, Florida
