Protecting the Finances of Individuals and Guiding Businesses Through Health Care Reform. Have A Plan, Not A Plea. 1800+

Biography

Top account opener in Southeast Territory (14 states). 2nd in the Nation### How do you protect your check? What would you do if one of your employees became seriously ill, badly injured, or unfortunately passed away? What kind of things do you have in place to help them and their families deal with that? How do you feel about your employees' financial problems affecting your business? When small businesses need to improve they come to me. Help your businesses recover at least 20% of the productivity you lose to employee financial problems. Keep your prime talent longer and attract the best new candidates. Receive financial counseling for all of your employees without using company finances. My knowledge of accounting, business, tax, healthcare reform, employee benefits, merchant services, general liability, estate, marketing, and economics have put me in a position to be knowledgeable about small business profit increases in Nevada, Georgia, and anywhere. My clients include dentists, technicians, instructors, surgeons, auto sales, dermatologists, daycares, general doctors, restoration, plumbers, salons, roofers, restaurants, and more. I also educate all of my clients and my barely over a year blog has over 14,000 views. Ask me about Healthcare Reform!
