Thriving in the 21st Century: How to Win at Uncertainty

For every organization and individual the future promises to be more Volatile, Uncertain, Complex, and Ambiguous. These features of "VUCA" dominate today's world of work - and the future promises to be even more so. What can we do now to get ahead of "VUCA"? Agility, Determinism ("Super Focus"), Simple Rules, and Clarity will dissolve VUCA -- providing a sure path to success in an ever Uncertain World. In this highly informing + inspiring presentation, Dave makes the 21st Century Super Simple.
