---

## **Biography**

Dave Farber is an associate professor in accounting. He joins the Kelley faculty from the University of Texas at El Paso, where he was a professor and the Paul L. Foster and Alejandra de la Vega Foster Distinguished Chair in International Business. Farber has also worked at McGill University, the University of Missouri and Michigan State University. He received his PhD in management, with an accounting concentration, from the Johnson Graduate School of Management at Cornell University. He received his MBA from the City University of New York/Baruch College and his undergraduate degree in economics from State University of New York at Stony Brook. Before beginning his career in higher education, Farber worked as an auditor for Deloitte and as a corporate controller. Farber's research interests include corporate governance, financial reporting and managerial characteristics. He has been published in The Accounting Review, Contemporary Accounting Research, Journal of Accounting Research and Accounting Horizons. Farber says much of his research is motivated by financial matters happening in the world today.
