

# **David Godwin**

**Director at University of Florida**

Gainesville, FL, US

David Godwin researches fire ecology, from remote sensing assessments of burn severity to prescribed fire and forest carbon dynamics.

---

## **Biography**

David Godwin is the director and co-principal investigator of the Southern Fire Exchange with the School of Forest, Fisheries and Geomatic Sciences at UF's Institute of Food and Agricultural Sciences. He is a certified fire ecologist. His fire science research experience spans a variety of southern ecosystems and includes investigations of wildfire burn severity using remote sensing and studies of the impacts of prescribed fire and mechanical fuel treatments on southeastern U.S. forests and soil carbon dynamics.

---

## **Areas of Expertise**

Wildfire, Fire Science, Fire Ecology, Prescribed Fire
