

David J. Evans

National Practice Leader, Business Effectiveness at KPMG

London, ON, CA

Business Effectiveness advisor assisting organizations to undertake risk assessment evaluation in pursuit of exceeding objectives and goals

As the National Practice Leader, Business Effectiveness, David focuses on fundamental business issues?managing risk, increasing revenues, and controlling costs?which all organizations in all industries should address in order to flourish. Specifically, David helps companies identify risks and enhance operations to support their strategic business objectives and financial goals. As a Business Effectiveness professional, David seeks to empower clients to make better business decisions?decisions that are at the heart of successful business transformation and change management efforts.
