

Don Kendall

Lecturer of Civil and Environmental Engineering at Loyola Marymount University

Los Angeles, CA, US

Seaver College of Science and Engineering

Biography

Doolan 212 310.258.4670 dkendall@lmu.edu Donald Kendall has been teaching at LMU as an adjunct and full-time faculty member since 1990. He teaches classes in water resources engineering, hydraulics, hydrology and thermodynamics. He received his Doctorate in Civil Engineering from the University of California, Los Angeles. Donald is a registered professional engineer with 30 years of industry experience in the private and public sectors. His current research interests are in stochastic processes and low impact development (LID) design.

Industry Expertise

Research, Civil Engineering, Education/Learning

Areas of Expertise

Water Resource Systems, Stochastic Processes, Hydraulics, Hydrology, Thermodynamics

Education

University of California, Los Angeles

Ph.D. Civil Engineering

University of California, Los Angeles

M.S. Civil Engineering

Loyola Marymount University

B.S. Mechanical Engineering
