

Don Rainey

Regional Specialized Water Agent at University of Florida

Plant City, FL, US

Don Rainey focuses his expertise on stormwater, drainage and nutrients that flow downstream from homes to stormwater ponds.

Biography

Don Rainey focuses his expertise on stormwater, drainage and nutrients that flow downstream from homes to stormwater ponds. If a hurricane hits, the heavy rain may bring more nutrients downstream. He is an IFAS extension regional specialized agent for the Southwest Extension District water resource program.

Industry Expertise

Floriculture and Horticulture, Fishery and Aquaculture, Agriculture and Farming

Areas of Expertise

Water Conservation , Stormwater Ponds, Water Quality, Horticultural Science, Landscape and Grounds Management
