

Drew Jacoby-Senghor

**Assistant Professor at Haas School of Business, University of California,
Berkeley**

Berkeley, CA, US

Studying the outsized impact of subtle biases

About

Drew Jacoby-Senghor is an Assistant Professor in Management of Organizations at Berkeley Haas. His research identifies how prejudice unconsciously shapes social networks, how networks shape prejudice, and the implications of these processes within professional and academic contexts. He received his BA in psychology from Stanford University and his PhD in social psychology from Princeton University. Subsequently, he was the Provost Postdoctoral Scholar at Columbia Business School.
