

Dr. Kendra Harris

Chair, Radiation Oncology at Tulane University

New Orleans, LA, US

Dr. Kendra Harris is a COVID-19 expert in service/donation, radiation oncology and radiobiology.

Biography

Dr. Kendra Harris joined Tulane University School of Medicine's Department of Radiation Oncology in July 2018, and is board-certified in radiation oncology and radiobiology. Dr. Harris earned her medical degree from Johns Hopkins University School of Medicine and completed her residency in the Department of Radiation Oncology and Molecular Radiation Sciences at Johns Hopkins. She also completed a fellowship in patient safety at the Armstrong Institute for Patient Safety and Quality. Prior to joining Tulane, Dr. Harris practiced at Orlando Health UF Health Cancer Center where she treated patients with proton therapy, photon therapy and high dose rate brachytherapy and served as PI for a number of clinical trials. She is also currently fulfilling a three-year appointment on the Metastatic/ Recurrent Task Force with the National Cancer Institute Coordinating Center for Clinical Trials. Dr. Harris has been published in multiple journals on issues related to patient safety and is a member of the American Society for Therapeutic Radiology and Oncology (ASTRO). In 2002, prior to medical school, she was selected as a Rhodes Scholar and completed a Master of Science (MSc) degree focused on health care policy at Oxford University, and in 2013, she earned the Frank L. Coulson Award for Clinical Excellence from the Johns Hopkins University School of Medicine.

Areas of Expertise

COVID-10 (Coronavirus), Health Care, Radiation Oncology, Radiobiology, Patient Safety

Affiliations

American Society for Therapeutic Radiology and Oncology (ASTRO), Metastatic/ Recurrent Task Force with the National Cancer Institute Coordinating Center for Clinical Trials

Education

Johns Hopkins University

MD

Johns Hopkins University School of Medicine

Residency Radiation Oncology & Molecular Radiation Sciences

Oxford University

MSc Health Care Policy

Accomplishments

Frank L. Coulson Award for Clinical Excellence
Johns Hopkins University School of Medicine 2013

Rhodes Scholar
2002
