

Dr. Stephen E. Judd

Chief Executive at Hammond Care

Sydney, , AU

Dr. Stephen E. Judd's studies contribute to dementia care, aged care design and the role of charities in contemporary Australian society.

Biography

Stephen Judd has more than 25 years' experience in the health care and information technology industries. Dr Judd has been Chief Executive of HammondCare since 1995 and in that time he has overseen the growth and development of the organisation's services. When he began, HammondCare served fewer than 250 clients and had an annual revenue of \$8 million. Today, it provides care and services to more than 3,800 clients and its revenue for FY15 was \$187 million. Dr Judd has written, edited and contributed to books on dementia care, aged care design and the role of charities in contemporary Australian society. He has served on numerous government and industry committees and is currently a member of the Advisory Council of the Australian Aged Care Quality Agency.
