

Dru Riddle

Professor, Nurse Anesthesia at Texas Christian University

Fort Worth, TX, US

Dr. Riddle is an expert in evidence-based practice and applying research in practice.

Biography

Dru received his PhD in Nursing Science and Pharmacogenetics from the Medical University of South Carolina. He is also a practicing Certified Registered Nurse Anesthetist (CRNA) and the PI on a large grant that is focusing on centering racial health equity in evidence syntheses. Dru is the Co-Chair of the Cochrane US Network, part of the Cochrane Collaboration. He blends applied basic sciences and evidence-based practice to improve the outcomes for patients. His clinical interest centers on inpatient anesthesia.
