

Dr. Vivek Nangia

Director, Pulmonology, Medical Critical Care and Sleep Disorders at Fortis Flt Lt Rajan Dhall Hospital

New Delhi, , IN

Dr Nangia is an Interventional Pulmonologist and Infectious Disease Specialist with training in Sleep and Critical Care Medicine.

Biography

Dr Vivek Nangia, is an international renowned Interventional Pulmonologist, with over two decades of rich clinical experience. He is amongst the pioneers to conduct various Bronchoscopic Interventions and Medical Thoracoscopy in Delhi. He has a stellar professional background and has undergone extensive training in various fields of Pulmonary and critical Care Medicine, namely, Sleep Medicine at Stanford University, USA; Pediatric Pulmonology, Royal Brompton Hospital, London; Critical Care at Cleveland Clinics, USA; Clinical Nutrition and Good Clinical Practices at Mumbai. Pursuing his administrative skills, he has undergone training on "Development of Leaderships Skills" at one of the most prestigious institutes of the country, the Indian School of Business, Hyderabad. He is one of the few qualified Infectious Diseases Specialists in the entire country, having successfully completed first a diploma and then M.Sc in Infectious Diseases from London University, UK. He is a revered teacher, has many publications in peer reviewed journals and text books to his credit and has co-authored the book titled "Sleep Related Breathing Disorders". He has been a faculty to several National and International conferences. He is adept at performing various procedures like bronchoscopy, transbronchial biopsies, EBUS, Medical thoracoscopies, endobronchial laser, etc.
