A journey to Engagement

Today's workforce faces daunting challenges to reduce costs, improve quality, increase productivity, and develop new products and services at an increasingly faster speed. While some companies struggle or fail, others are able to manage the increasing demands. Only those who know how to do it right thrive in today's fast changing environment. Winning organizations are constantly looking for ways to optimize the value of their human capital. Successful leaders know just how to engage the hearts, hands, and minds of their employees to do their very best work. Engaged Employees are committed, competent, and are the most prized asset in today's business world. Eddie's presentation offers a proven process for engaging the employees in your organization. Participants will be able to implement the engagement process for improved results. It is designed to inspire people to look at the way they manage their people and provide tools they can look at using as soon as they return to work. This topic can easily be customized to work with an audience from senior management to front-line staff.

Testimonials

Sonia MacLellan,

The topic was relevant to our workplace and your delivery of the subject matter was truly inspirational. The employees found your 'real life experiences' compelling, relevant and insightful. Your skills as a presenter and your ability to connect with your audience are truly exceptional

Milt Isaacs, CMA

Throughout the years of working together on various projects, you have consistently brought passion and insight to the table. Your day-long workshop with our staff was an inspiration and helped build our team into a cohesive group of professionals: your contributions to our articles and papers on engagement were invaluable in helping to forge ACFOs reputation as informed stakeholders.

Heather

Hi Eddie, "I would also like to share with you that on our feedback survey for our leadership retreat, your session achieved 100% of somewhat to very satisfied ratings. This rating is the best that we have ever received on any of our sessions you more than satisfied our leadership team! Incredible and again many thanks Eddie"

Walton W Rogers

MDRT is known for the quality of the speakers. We continue to be able to achieve this high standard of excellence because of individuals like you, who are willing to do the work required to prepare a presentation with quality content and skill delivery. We are greatly grateful to you.

Cosette Green, B.Ed.

On behalf of all of us in the Lloydminster area, and particularly the staff of Alberta Employment and Immigration, I would like to thank you for sharing your presentation, your knowledge, your passion, and a small piece of your personal life with all of us present at the EARN breakfast on Wednesday. It was informative, inspiring, and valuable to both one's professional and personal life. You had us both laughing and crying at times throughout the morning! The feedback from the audience was very positive and was evident with the standing ovation, the immediate comments made to me at the event and the emails that continue to come in. I wouldn't hesitate to recommend you as a keynote or guest speaker for almost any audience. I truly hope we ca

Karen Hall, CGA

"The feedback from the participants at our event was all positive. We had a full day event and every person that I spoke with said that Eddie's presentation was the most valuable one of the day. I left the event more energized and aware of the differences in the actions of the various generations in our office and that helps me to have a better understanding of why each of us acts as we do."

Nelson Goulart

?Eddie is a talented and sincere person who can truly speak to any level of audience with his disarming and infectious personality. He is a dynamic and engaging speaker who mixes laughter with information to create an impressive and memorable presentation that stay?s with attendee?s long after they?ve gone home. If you have not had the opportunity to see Eddie you owe it to yourself and to your organization to bring him in to inspire and motivate your team. You will not be disappointed.?

Jackie Crooks

I was inspired from the moment I met Eddie! He provided an exceptional speech to over 315 delegates at our Shaping the Future Conference with ample take away messages that left delegates feeling positive, motivated and enabled to bring about positive change in their lives.?
