Fulfilling the requirements of the ISO9001 Guidelines

Jeffrey T. Rose

"It is truly a pleasure to work with someone who understands business and helps my clients actually make money"

Kristen Paulson Gibbons

"...attention to detail, an at-ease communication style and the drive and devotion to assemble the required data, information and/or personnel, in order to get the project done on a timely basis"

Scott Norman

"...Project Management is a management tool which Edward has mastered..."

Patrick F. Fallon

Regarding ISO9001:2008 Certification, "... the company passed the first 3rd-party certification audit with flying colors ... I can comfortably recommend him for consulting work".

Kunal Kamran

"You are one of the better listeners, as you have the ability to connect to their real needs"

Walter Schuelke

"Reflecting on our discussions over the years about the operational philosophies of successful businesses have led to some basic ground rules that we have resolved to achieve"
