

# **Elle Boag**

**Associate Professor of Applied Social Psychology at Birmingham City University**

Birmingham, England, GB

Elle Boag's research has an attachment-related basis, and covers topics that extend her PhD research on prejudice and discrimination.

---

## **Biography**

Dr Elle Boag is Associate Professor in Applied Social Psychology in the School of Social Sciences at Birmingham City University. Her research covers attachment theory, mental health and wellbeing, empathy, sexuality, diversity, inclusion, prejudice, discrimination, social exclusion and deviance. She has explored issues such as public attitudes towards ex-offenders, handling loss and isolation during lockdown, the impact parenting practices on child and adolescent behaviour, and Islamophobia. Elle is an Associate Fellow of the British Psychological Society, a Senior Fellow of the Higher Education Authority, a Member of the Society for Personality and Social Psychology and a Member of the International Association for Relationship Research. She also plays a lead role in quality assurance and assessment in teaching and learning, inclusive practice and is a Faculty adviser on developing and supporting effective personal tuition practice.
