

Enrique Gomez

Associate Professor at Western Carolina University

Cullowhee, NC, US

Enrique Gomez's interests are in supernova, gamma-ray bursts, and late stage stellar outflows.

Biography

Born in Mexico City, Dr. Gómez attended the University of California Santa Cruz where he was awarded a Bachelor's of Science. He later received a Masters and a Doctoral degrees from the University of Alabama. Dr. Gómez teaches introductory and general physics as well as astronomy. His interests are in supernova, gamma-ray bursts, and late stage stellar outflows. He has also conducted physics education research, and has worked with students in studies of cosmic-ray radiation in the upper atmosphere.

Industry Expertise

Research, Education/Learning

Areas of Expertise

Cosmic-ray Radiation, Late Stage Stellar Outflows, Supernova, Gamma-ray Bursts, Physics Education Research

Affiliations

Jackson County NC NAACP : Secretary

Education

University of Alabama

M.S.

University of Alabama

Ph.D. Physics

University of California Santa Cruz

B.S. Physics
