

Eva Buckner

Assistant Professor/State Extension Specialist at University of Florida

Vero Beach, FL, US

Eva Buckner researches mosquitoes and mosquito control efforts.

Biography

Eva Buckner is an assistant professor in the Florida Medical Entomology Laboratory. She researches mosquitoes and mosquito control efforts and provides extension services to the public, mosquito control programs and public health professionals. After hurricanes, she works directly with affected communities and mosquito control programs to try to get information and resources to those in need.
