Aviation Entrepreneur, Jet Captain, Author & Keynote Speaker

Biography

I am an Aviation Entrepreneur, Airline Transport Pilot, Aviation Advisor, Author and Speaker. I have also worked on 3 continents; USA, Europe & Middle East, with over 65 different nationalities. As a pilot I have flown for a number of Airlines & Corporate Jet Operators. I have flown Beech King-Air 90, Rockwell Turbo Commander, Piper Cheyenne, Cessna Citation 500 Series, Dassault Falcon 900, Dornier 328TP & Dornier 328Jet & Boeing B737NGs. Today I spend most of my time as an Aviation Consultant buying & leasing Private Jets, arranging private jet leases & biz jet charters. I am also a pilot and inspirational speaker & working on my new sci-fi trilogy. I am also the author of a number of books, my latest being "The Quantum Economy". This book is about the business of the future and tailored for entrepreneurs. It also includes various stories of business people that have and are using the private jet as a business tool to scale their businesses. Find out more about the business of the future and the pivotal role of private jets by getting yourself a copy of the Quantum Economy: <https://amzn.to/44jD2II> www.bizjettv.com
