## **Biography**

DR. GEORGE J. DAVIES is an internationally known speaker who has presented hundreds of conferences throughout the world on sports physical therapy, athletic training, shoulder, knee, open and closed kinetic chain topics, orthopaedics, rehabilitation and Isokinetics. Davies is a clinician, educator, speaker, researcher, author, editor and consultant. He has been involved in the clinical practice of sports physical therapy/athletic training, since he was a student athletic trainer, for over 53 years. He has a passion for teaching and has been an educator for over 48 years in colleges and universities. For the past 45 years, he has been involved in teaching undergraduate and graduate physical therapy courses including: cadaver anatomy, biomechanics, sports physical therapy, orthopaedics, and examination courses. Because Davies values education, after 30 years, he returned to school and completed his post-professional Doctor of Physical Therapy (DPT) at MGH Institute of Health Professions and graduated with highest honors.
