## **Biography**

Gerald Mohlabe inspires organizations to be champions of excellence. He teaches organizations how to achieve dynamic results and improve performance. He brings his expertise in leading teams, changing attitudes, and building relationships to his role as a consultant, trainer, executive coach, and speaker. He helps clients improve customer service and loyalty. Clients also hire him to guide them through the difficulties of personal and organizational change. Audiences are energized by his message, which includes stories and lessons crafted to challenge audience members to achieve more. They gain a renewed passion, an action-oriented mind-set, an improved attitude, and a desire to perform better. Attendees find they become better leaders who have an improved focus on achieving worthwhile goals, embracing excellence, and making the difference. Gerald's client list includes leaders who are making a huge impact in business, the workplace, churches, politics, education, and government. He believes that leadership is the determining factor that draws a thin line of distinction between successful and unsuccessful organizations. He believes that when leadership takes the center stage in your company or organization, outstanding results will take the center stage. Nothing more and nothing less. He is the president of Goal Driven Consulting, a company that helps organizations develop effective leadership at all levels. Gerald is a regular contributor to many internet publications. He has achieved expert author status with an international publication called Ezine Articles. His book titled The Leadership Ladder is available in e-book format.
