

Gina Veloni, Ph.D.

Associate Faculty - Infant & Early Childhood Development - School of Psychology at Fielding Graduate University

Snohomish, WA, CA, US

Utilizing RS and IMH principles to support the multi-complexities of systems and families in communities

Biography

Gina Veloni, PhD, is a Reflective Supervision Consultant and Infant Mental Health Specialist. She graduated in January, 2017 from Fielding Graduate University, completing her PhD in Infant and Early Childhood Development with a specialty in mental health and disabilities. She has worked in the maternal child health field for 20 years. She received her Master of Nursing from University of Washington with a Post Masters Certificate of Infant Mental Health from the Barnard Center of Infant Mental health. She is a program manager for Nurse-Family Partnership at ChildStrive. She also provides RS and IMH training and Consulting at Veloniconsulting.com. Dr. Veloni is excited to share her knowledge and experience in RS and IMH. She enjoys helping others to think about how to utilize RS and IMH principles across disciplines and educational backgrounds to support the multi-complexities of systems and families in communities.
