

# **Graham Beattie**

**Associate Professor and Associate Chair of Economics at Loyola Marymount University**

Los Angeles, CA, US

Bellarmino College of Liberal Arts

---

## **Biography**

Graham Beattie is an Assistant Professor in the Department of Economics at Loyola Marymount University. His research interests are in environmental economics, public economics, and the economics of education. In particular, much of his research focuses on how individuals form and act upon beliefs about environmental issues such as climate change, with a particular emphasis on analyzing the causes and effects of media coverage. He is also interested in the use of text-as-data in a wide range of applications.

---
