

Hal Herzog

Professor Emeritus at Western Carolina University

Cullowhee, NC, US

Hal Herzog has been investigating the complex psychology of our interactions with other species for more than two decades.

Biography

Hal Herzog has been investigating the complex psychology of our interactions with other species for more than two decades. He is particularly interested in how people negotiate real-world ethical dilemmas, and he has studied animal activists, cockfighters, animal researchers, and circus animal trainers. An award-winning teacher and researcher, he has written more than 100 articles and book chapters. His research has been published in journals such as *Science*, *The American Psychologist*, *The Journal of the Royal Society*, *The American Scholar*, *New Scientist*, *Anthrozoös*, *BioScience*, *The Journal of the American Veterinary Medical Association*, and *Animal Behavior*. His work has been covered by *Newsweek*, *Slate*, *Salon*, *National Public Radio*, *Scientific American*, *USA Today*, *The Washington Post*, *The Boston Globe*, *The Chicago Tribune* and many other newspapers. In 2013, he was given the Distinguished Scholar Award by the International Society for Anthrozoology. Hal Herzog is Professor of Psychology at Western Carolina University and lives in the Smoky Mountains with his wife Mary Jean and their cat Tilly.
