

# **Hans Oh**

**Assistant Professor of Social Work at USC Suzanne Dworak-Peck School of Social Work**  
Los Angeles, CA, US

Hans researches the social determinants and health correlates of psychotic experiences.

---

## **Biography**

Hans Oh is a social worker and psychiatric epidemiologist who studies the social determinants and health correlates of psychotic experiences. He earned his PhD from Columbia University School of Social Work, and has received fellowships to enhance his training in adult mental health services. These fellowships include a behavioral health fellowship at Yale School of Medicine, where he worked in an acute crisis unit and supervised a peer support program. He also undertook a psychosocial rehabilitation fellowship at the Veteran Affairs in San Diego, where he provided recovery-oriented services to veterans with psychotic disorders. He completed a post-doctoral fellowship in prevention science at the Pacific Institute for Research and Evaluation/UC Berkeley School of Public Health.
